

TX210 COVER

SPEAKER COVER

Durable, padded speaker covers are tailored specifically for the TX210

Added security to slip-on application thanks to bottom strap ensuring the cover stays in place regardless of orientation

Top and side cutouts give easy access to TX210's integrated handles

TX210 COVER

SPEAKER COVER

Protect your investment! Your TX210 speaker plays an essential role in your success because of its high-performance professional sound and sharp styling. Give your TX210 speaker the protection it deserves. The dedicated durable, padded speaker cover is tailored specifically for TX210; it slips on easily and thanks to the bottom strap, stays in place regardless of orientation, making it ready to endure the tortures of travel - plus, top and side cutouts give you easy access to the speaker's handles, so it's not only protected, but also easy to carry.

FEATURES

- Durable, padded speaker covers are tailored specifically for the TX210
- Added security to slip-on application thanks to bottom strap ensuring the cover stays in place regardless of orientation
- Top and side cutouts give easy access to TX210's integrated handles
