BT4002

LARGE FLOOR BASE FOR USE WITH BT8381 COLUMNS OR Ø50MM FLOOR STAND POLES

BT4002 is a stylish large floor base designed for use with B-Tech's range of Ø50mm floor stand poles or BT8381 vertical support columns to create custom flat screen floor stands specific to the user's requirements. The base allows the user to mount a single or double pole or column, depending on their requirements. Additional features include non-marking rubber feet and grab handles for easy handling. Cover plates (sold separately) hide grab handles and unused pole fixing points.

SPECIFICATION
