

Titanium

REF. 8700 - 8701

Compact headend – surprisingly versatile

The transmodulator allows for very fast installation and is suitable for small to medium-sized projects:

- Standalone frame with built-in power supply
- 8700: Titanium 4 with 4 tuners
- 8701: Titanium 8 with 8 tuners
- 2 CI slots for CAM cards
- 4 output MUXs (DVB-T/C)
- RF In & RF Out
