

ARRAN POWER CABLE

PERFORMANCE SERIES

Gold plated pure copper plugs
for better conductivity

OFC

OFC 2.5mm² conductors

DESCRIPTION

Cooper shielding for optimized insulation against electromagnetic and radiophonic interferences (RFI & EMI): optimal cotton fibre to limit micro-vibrations inner, thick PVC on the outside.

SPECIFICATIONS

Finish : Black nylon braid – flexible texture
Power socket : 1 x Schuko type power socket
Connector : 1 x 3-pole connector IEC-C15

AVAILABLE LENGTH

1m
SKU : NORARRPWC100
EAN : 3700795184684

2m
SKU : NORARRPWC200
EAN : 3700795184707
