

Highlights:

- Structured and scratch resistant black powder coating
- Best cost performance ratio
- Integrated cable lacing cutouts

Product information:

BCO442 is a cable tray made of steel with a plate thickness of 1,2mm and provided with a black (RAL9004) structured powder coating. One BCO442 features 42 units, however it can easily be cut to length for smaller rack configurations to offer a cost-efficient solution. The cutout pattern provides ample mounting holes and T-shaped cable lacing cutouts for convenient and efficient cable routing. BCO442 is available in 80mm width and will only be sold in pairs.

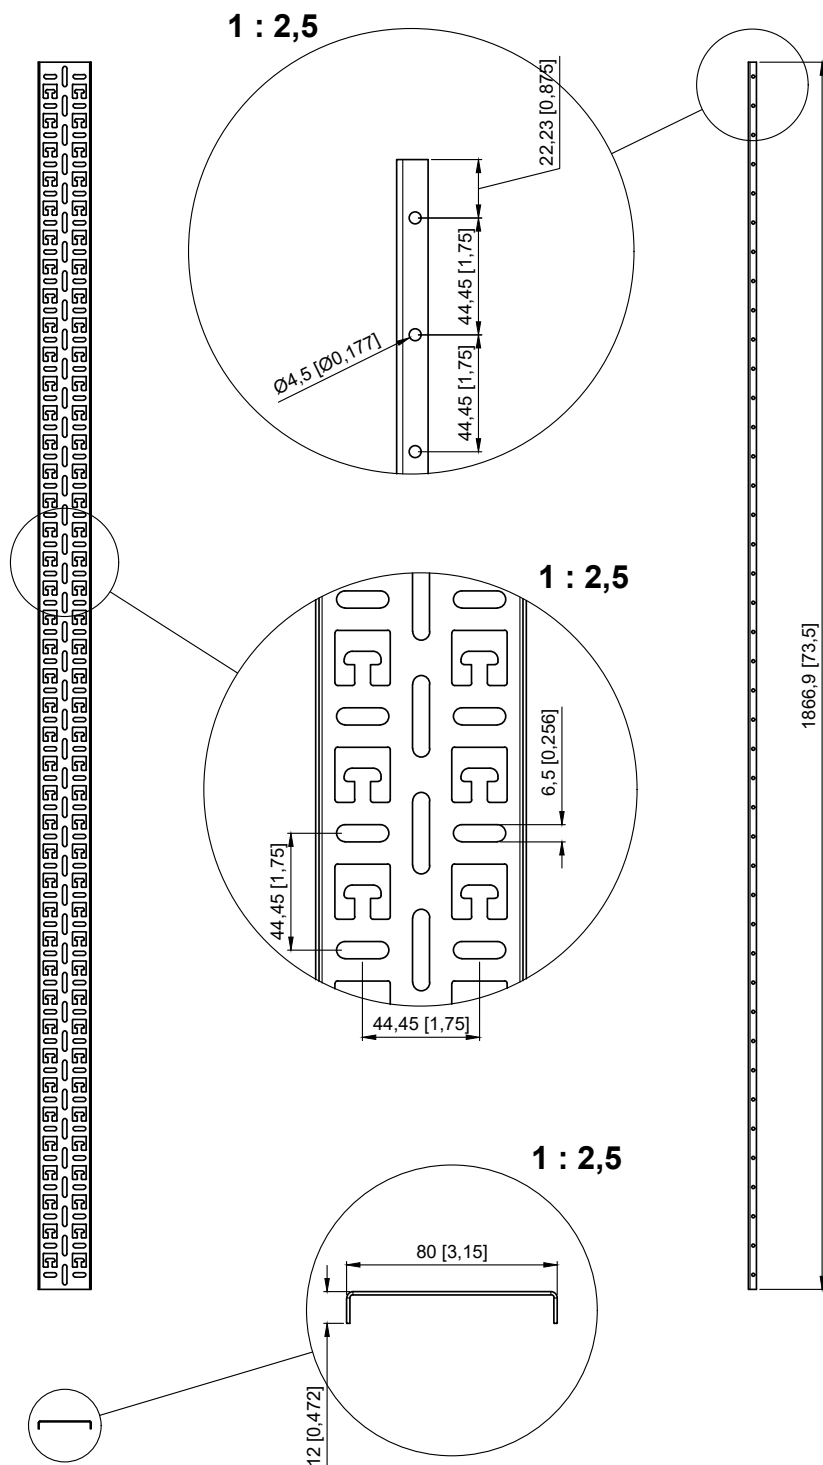

Product Features:

Dimensions	80 x 1900 x 12 mm (W x H x D)
Unit height	42 HE
Weight	1.34 kg
Max. usable width	80 mm

Variants:

- BCO442/B - Black version - Sold in pairs
