

### Highlights:

---

- Assembly screws included
- Compatible with any CASY chassis
- Flexible system for system integration & connectivity

CASY206 covers two module spaces in a CASY chassis and is a universal base for one 45 x 45 mm standard-sized product such as matrix control panels, volume controllers, and connection plates,... The cover frame includes two security tabs that can slide into the top and bottom of the frame. These tabs will ensure a firm fixation of the installed connection plate while plugging and unplugging connectors. The module plate will ensure a flush mount installation into any CASY configuration.

### Product Features:

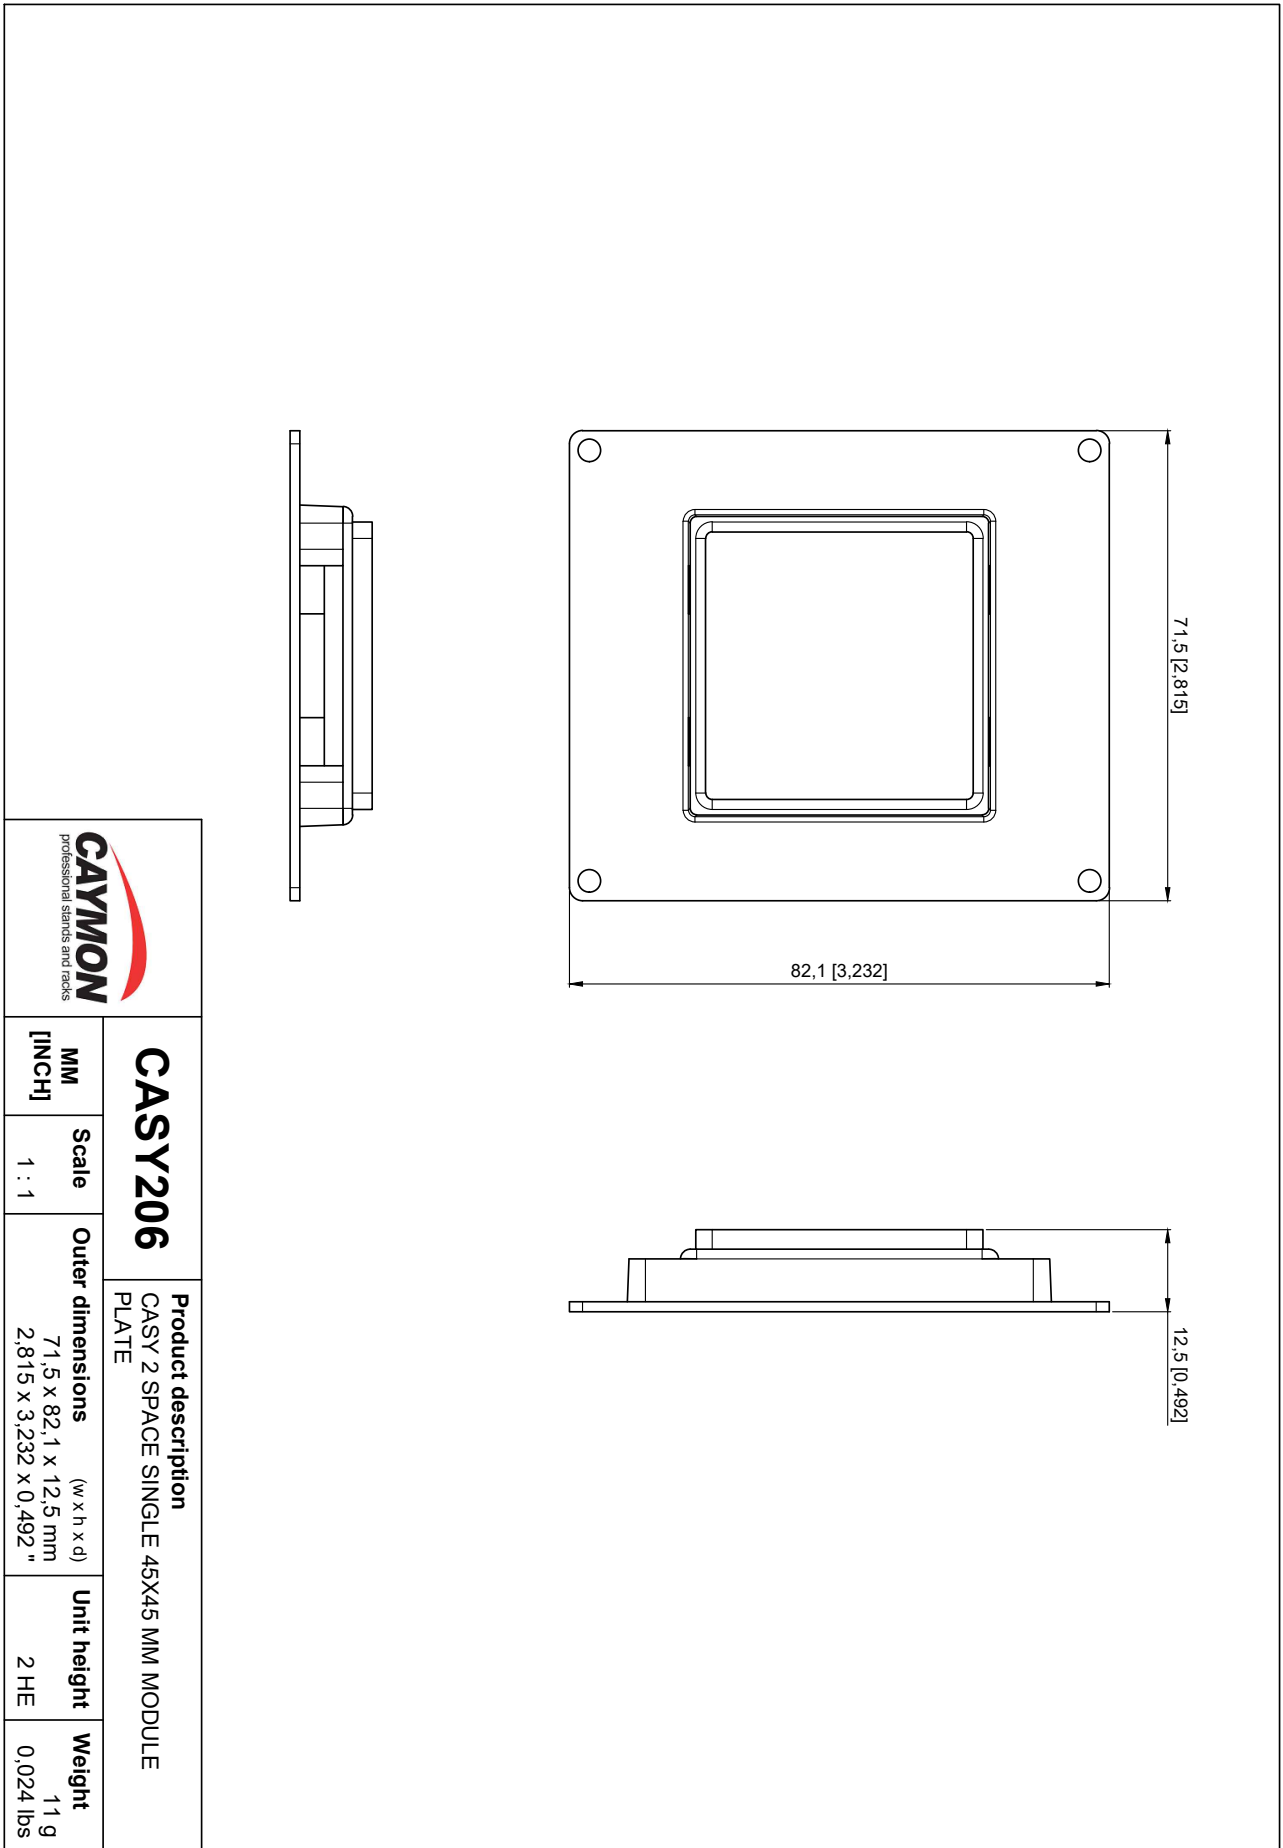

---

Dimensions	71.5 x 82.1 x 12.5 mm (W x H x D)
Weight	0.011 kg
Unit height	2 HE
Colours	Black

### Variants:

---

- CASY206/B - Black version
