

WiiM CI MOD A80

- 60W power output (8 ohms)
- RCA, Optical and HDMI inputs
- Wi-Fi 6E and Bluetooth 5.3 connectivity

- Support for Dolby Audio
- Rack mount for two units supplied separately

WiiM CI MOD A80

The WiiM CI MOD A80 is an audio amplifier designed specifically for the needs of custom installation (CI) integrators. It combines performance and flexibility in a rack-mountable format, ideal for modern professional installations. With essential features such as HDMI ARC input and subwoofer output, it integrates easily into complex AV set-ups. With its ESS 9018K2M DAC and TI TPA3255 Class D amplifier, the MOD A80 guarantees exceptional audio quality, meeting the high standards demanded by integrators for high-end residential and commercial projects.

HIGH FIDELITY

Enjoy seamless access to streaming music, podcasts, audio books and radio stations on your favourite audio equipment, in pristine digital quality or high-fidelity analogue sound.

POWER

Packing 60 Watts per channel (8 ohms) or 120 Watts per channel (4 ohms), delivers high fidelity sound to even the most demanding loudspeakers, up to four on a single amplifier

APPLE

Use your iOS, Mac book, and Apple TV to stream your favorite music and audio to your loudspeakers.

CHROMECAST

Use hundreds Chromecast-enabled app to stream music, TV audio, radio stations, podcasts, and local content to one or multiple audio devices.

HIGH RESOLUTION

Enjoy gapless playback of Hi-Res music up to 24-bit/192 kHz

VOICE REMOTE CONTROL

Upgrade your listening experience with the voice remote.

WIIM HOME

Use the WiiMHome App to control content and device from one place. Enjoy music services such as Amazon Music, Deezer, Qobuz, TIDAL, iHeartRadio, TuneIn, SoundCloud and more.

STREAMING

Stream music directly from Spotify, TIDAL, or Amazon Music Apps. Works for Spotify Free/Premium users, TIDAL HiFi and HiFi+ (with MQA), and Amazon HD and Ultra HD.

VOICE CONTROL

Works with Alexa, Google, and Siri voice assistants. Use your voice on your phone, HomePod, Echo, or Google Home devices. Control music selection, volume, and playback with voice.

YOUR MUSIC LIBRARY EVERYWHERE

Plug your USB disk into the WiiM CI MOD A80 and transform your home into a personal concert hall. Stream your digital music collection in studio-quality to multiple WiiM devices throughout your space. The WiiM CI MOD A80 not only indexes your music library but also serves as an always-on media server, making your personal tunes accessible anytime, anywhere in your home.
